

Dear Parents,

Warm Joyous Diwali Greetings to Every one of You!

May the Eternal Light guide you through every trials of life, especially during these troubled times of the COVID-19 pandemic, as you celebrate Diwali that symbolizes the victory of light over darkness, good over evil and knowledge over ignorance.

God shines into our hearts the light of His Glory and Love. Let us pray to have that light shining in and through our everyday lives.

In the celebration of Diwali, wealth is considered as a gift of the Divine. Therefore, wealth and riches also are to be seen as opportunities to do good and to contribute to the welfare of fellow human beings.

Jesus has taught us: "Let your light so shine before men, that they may see your good works, and glorify your Father who is in heaven." (Matthew 5:16)

May this Diwali be an occasion for all of us to light up our inner lamps of truth and integrity, justice and peace.

Let us send our heartfelt prayers to the Source of Light for our country, our leaders and our people. May God bless us with prosperity, tranquility, peace and harmony to grow in mutual respect and understanding!

Let each Diya we light bring a glow of happiness on our face, enlighten our soul and bring goodness to those around us, especially our family members and close friends & neighbors!

Happy Diwali
